Crystal Clean (Fairless Hills, PA) 199 Canals
Combination for gate 1-0-1-5.

There are black mailboxes to right of building for inbound and outbound paperwork, when no one is there. Trailer number on paperwork.

If trailer is not in yard, continue on Canal Road to Building 290 (prop yard). Most likely outbound trailers are there. They are sealed.

Do not put inbound trailers in either the docks or on the street. Should be space to right of building.

Crystal Clean (Seward, PA.)

Combination for gate 2-0-1-5

Must put inbound trailer in dock from which you pulled outbound trailer.

Outbound trailer will have SJ sign in placard holder on front. Paperwork will be in back of trailer. Trailer not sealed.

Crystal Clean (Hartford, CT)

Delivery from Fairless Hills and subsequent pick up of waste must be done on Wednesdays after 7⁰⁰ P.M. If driver arrives at 7⁰⁰PM there would probably still be personnel on site.

A driver will be given a pair of keys at Fairless Hills with paperwork. If no one at Hartford (after hours) driver drops the delivery trailer in parking lot. Take small key to open padlock for fence corral around docks. Second larger key open door to warehouse.

Paperwork for outbound trailer will be in back of an open trailer. This will tell you which trailer to pull out. Check for load securement. Pull trailer and put Fairless Hills trailer in its place.

Make sure all locks at office and fence are secure. Bathroom facilities available.

Rehook to trailer for Fairless Hills and go. Don't forget to put keys back with return paperwork for Fairless Hills.
